

MARINE CHAIN

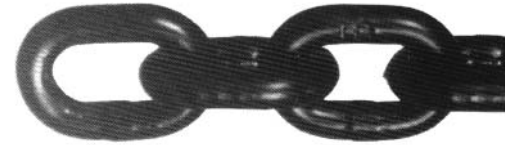

WEISSENFELS

Super Sweep™

Specially developed by Weissenfels for the scallop and oyster industry. Made of high tensile steel that is hardened to meet the need for a high strength, abrasion resistant ground chain used on the front of scallop and oyster bags. Not designed or to be used for overhead lifting.

PACKAGING: 150 Ft. per Drum.

FINISH: Self colored.

MATERIAL		DIAMETER		LINK DIMENSIONS INSIDE		STOCK NO.	WLL* LBS.	LINKS PER FT.	WEIGHT PER 100 FT. LBS.

5/8	.629	16	1.89	.944	050-166-050	N/A	5.7	386	

*NEVER EXCEED WORKING LOAD LIMIT

MOORING CHAIN

HOT DIPPED GALVANIZED FINISH

* Exceeding ASTM A-153 requirement

* Salt Spray Tested (per ASTM B117)

* Field Tested worldwide in demanding environments

WIDER & LONGER Links

* Dip Shackle pin thru any link

Each Link is individually PROOF TESTED & Calibrated

* NO weak or untested links

* Uniformity of link size & shape

* Always Consistent & Reliable QUALITY

Grade 43
